

Reference list as per 17 Sep 2005. References since introduction summer 2003

Venture Guard H 1574 CW Non-metallic jacketing, self-adhesive, mechanical/weather protection of insulation

Operator/ Installation owner	Project type/ Place	Year	Insulation company	Type of installation	Abbreviations M: Maintenance/repair N: New installation/modification TI: Test Installation
ConocoPhillips	N – 2/4-M	2005	R&M Industrier	Insulation classes 1 and 4. Indoor mechanical/weather protection of foamglass insulation	
Sevmorneftegaz (Siberia)	N – Prirazlomnaya	2005	Norisol Norge	Outdoor mechanical/weather protection on rubber cell insulation of hydraulic tubes on crane	
Statoil	N – Kristin	2004	R&M Industrier	TI. Outside weather/mechanical protection of foam glass insulation.	
Statoil	N/M – Platforms	2004	R&M Industrier	Several Statoil platforms: Corrosion/mechanical protection under gratings	
British Petroleum	M – Gyda/Valhall	2004	R&M Industrier	Corrosion/mechanical protection under gratings	
Gilde	N – Vestfold slakteri	2004	Norisol Norge	Indoor mechanical protection of rubber cell insulation in food factory	
Statoil	M – Statfjord B	2004	D&F Group	Corrosion/mechanical protection under gratings	
Transocean	N – Transocean Arctic	2004	StS Stillasservice	Outdoor/indoor mechanical/weather protection of mineral wool	
Norsk Hydro	M – Oseberg Fd Centre	2004	StS Stillasservice	TI. Outside protection over foamglass	
Statoil	M – Kollsnes	2003	NSL Gruppen	TI. Weather exposed MEG pipes. Outside protection over foam glass	
ConocoPhillips	M – Ekofisk oil field	2003	Bjørge Norcoat	Outdoor mechanical/weather protection of glass wool-fibre fire insulation
